Termination or expiration of this Contract or a Contract for any reason will not release either party from any liabilities or obligations in this Contract that the parties have expressly agreed will survive any such termination or expiration, remain to be performed, or by their nature would be intended to be applicable following any such termination or expiration, including maintaining confidentiality of information and records retention.

9.12 Force Majeure

Neither failure to enforce any provision of this Contract nor payment for services provided under it constitute waiver of any provision of the Contract.

9.14 Publicity

Except as provided in the paragraph below, Grantee must not use the name of, or directly or indirectly refer to, the System Agency, the State of Texas, or any other State agency in any media release, public announcement, or public disclosure relating to the Contract or its subject...

Grantee may publish, at its sole expense, results of Grantee performance under the Contract with the System Agency’s prior review and approval, which the System Agency may exercise at its sole discretion. Any publication (written, visual, or sound) will acknowledge the support received from the System Agency and any Federal agency, as appropriate.

9.15 Prohibition on Non-compete Restrictions

9.18 Counterparts
This Contract may be executed in any number of counterparts, each of which will be an original, and all such counterparts will together constitute but one and the same Contract.

The Scope of Work, including any future amendments thereto, is incorporated by reference in this DUA as if set out word-for-word herein.

ARTICLE 6. GENERAL PROVISIONS

Section 6.01 Ownership of Confidential Information

CONTRACTOR acknowledges and agrees that the Confidential Information is and will remain the property of HHS. CONTRACTOR agrees it acquires no title or rights to the Confidential Information.

Section 6.02 HHS Commitment and Obligations

HHS will not request CONTRACTOR to create, maintain, transmit, use or disclose PHI in any manner that would not be permissible under applicable law if done by HHS.

Section 6.03 HHS Right to Inspection

At any time upon reasonable notice to CONTRACTOR, or if HHS determines that CONTRACTOR has violated this DUA, HHS, directly or through its agent, will have the right to inspect the facilities, systems, books and records of CONTRACTOR to monitor compliance with this DUA. For purposes of this subsection, HHS’s agent(s) include, without limitation, the HHS Office of the Inspector General or the Office of the Attorney General of Texas, outside consultants or legal counsel or other designee.

Section 6.04 Term; Termination of DUA; Survival

This DUA will be effective on the date on which CONTRACTOR executes the DUA, and will terminate upon termination of the Base Contract and as set forth herein. If the Base Contract is extended or amended, this DUA is updated automatically concurrent with such extension or amendment.

(A) HHS may immediately terminate this DUA and Base Contract upon a material violation of this DUA.

(B) Termination or Expiration of this DUA will not relieve CONTRACTOR of its obligation to return or Destroy the Confidential Information as set forth in this DUA and to continue to safeguard the Confidential Information until such time as determined by HHS.

(D) If HHS determines that CONTRACTOR has violated a material term of this DUA; HHS may in its sole discretion:

1. Exercise any of its rights including but not limited to reports, access and inspection under this DUA and/or the Base Contract; or

2. Require CONTRACTOR to submit to a corrective action plan, including a plan for monitoring and plan for reporting, as HHS may determine necessary to maintain compliance with this DUA; or

3. Provide CONTRACTOR with a reasonable period to cure the violation as determined by HHS; or

4. Terminate the DUA and Base Contract immediately, and seek relief in a court of competent jurisdiction in Travis County, Texas.
Before exercising any of these options, HHS will provide written notice to CONTRACTOR describing the violation and the action it intends to take.

(E) If neither termination nor cure is feasible, HHS shall report the violation to the Secretary.

(F) The duties of CONTRACTOR or its Subcontractor under this DUA survive the expiration or termination of this DUA until all the Confidential Information is Destroyed or returned to HHS, as required by this DUA.

Section 6.05 Governing Law, Venue and Litigation

(A) The validity, construction and performance of this DUA and the legal relations among the Parties to this DUA will be governed by and construed in accordance with the laws of the State of Texas.

(B) The Parties agree that the courts of Travis County, Texas, will be the exclusive venue for any litigation, special proceeding or other proceeding as between the parties that may be brought, or arise out of, or in connection with, or by reason of this DUA.

Section 6.06 Injunctive Relief

(A) CONTRACTOR acknowledges and agrees that HHS may suffer irreparable injury if CONTRACTOR or its Subcontractor fails to comply with any of the terms of this DUA with respect to the Confidential Information or a provision of HIPAA or other laws or regulations applicable to Confidential Information.

(B) CONTRACTOR further agrees that monetary damages may be inadequate to compensate HHS for CONTRACTOR's or its Subcontractor's failure to comply. Accordingly, CONTRACTOR agrees that HHS will, in addition to any other remedies available to it at law or in equity, be entitled to seek injunctive relief without posting a bond and without the necessity of demonstrating actual damages, to enforce the terms of this DUA.

Section 6.07 Indemnification

CONTRACTOR will indemnify, defend and hold harmless HHS and its respective Executive Commissioner, employees, Subcontractors, agents (including other state agencies acting on behalf of HHS) or other members of its Workforce (each of the foregoing hereinafter referred to as “Indemnified Party”) against all actual and direct losses suffered by the Indemnified Party and all liability to third parties arising from or in connection with any breach of this DUA or from any acts or omissions related to this DUA by CONTRACTOR or its employees, directors, officers, Subcontractors, or agents or other members of its Workforce. The duty to indemnify, defend and hold harmless is independent of the duty to insure and continues to apply even in the event insurance coverage required, if any, in the DUA or Base Contract is denied, or coverage rights are reserved by any insurance carrier. Upon demand, CONTRACTOR will reimburse HHS for any and all losses, liabilities, lost profits, fines, penalties, costs or expenses (including reasonable attorneys’ fees) which may for any reason be imposed upon any Indemnified Party by reason of any suit, claim, action, proceeding or demand by any third party to the extent caused by and which results from the CONTRACTOR’s failure to meet any of its obligations under this DUA. CONTRACTOR’s obligation to defend, indemnify and hold harmless any Indemnified Party will survive the expiration or termination of this DUA.

Section 6.08 Insurance

(A) In addition to any insurance required in the Base Contract, at HHS's option, HHS may require CONTRACTOR to maintain, at its expense, the special and/or custom first- and third-party
insurance coverages, including without limitation data breach, cyber liability, crime theft and notification expense coverages, with policy limits sufficient to cover any liability arising under this DUA, naming the State of Texas, acting through HHS, as an additional named insured and loss payee, with primary and non-contributory status, with required insurance coverage, by the Effective Date, or as required by HHS.

(B) CONTRACTOR will provide HHS with written proof that required insurance coverage is in effect, at the request of HHS.

Section 6.09 Fees and Costs

Except as otherwise specified in this DUA or the Base Contract, including but not limited to requirements to insure and/or indemnify HHS, if any legal action or other proceeding is brought for the enforcement of this DUA, or because of an alleged dispute, contract violation, Event, Breach, default, misrepresentation, or injunctive action, in connection with any of the provisions of this DUA, each party will bear their own legal expenses and the other cost incurred in that action or proceeding.

Section 6.10 Entirety of the Contract

This Data Use Agreement is incorporated by reference into the Base Contract and, together with the Base Contract, constitutes the entire agreement between the parties. No change, waiver, or discharge of obligations arising under those documents will be valid unless in writing and executed by the party against whom such change, waiver, or discharge is sought to be enforced.

Section 6.11 Automatic Amendment and Interpretation

Upon the effective date of any amendment or issuance of additional regulations to HIPAA, or any other law applicable to Confidential Information, this DUA will automatically be amended so that the obligations imposed on HHS and/or CONTRACTOR remain in compliance with such requirements. Any ambiguity in this DUA will be resolved in favor of a meaning that permits HHS and CONTRACTOR to comply with HIPAA or any other law applicable to Confidential Information.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION FOR COVERED CONTRACTS

Federal Executive Orders 12549 and 12689 require the Texas Health and Human Services Commission (HHSC) to screen each covered potential contractor to determine whether each has a right to obtain a contract in accordance with federal regulations on debarment, suspension, ineligibility, and voluntary exclusion. Each covered contractor must also screen each of its covered subcontractors.

In this certification “contractor” refers to both contractor and subcontractor; “contract” refers to both contract and subcontract.

By signing and submitting this certification the potential contractor accepts the following terms:

1. The certification herein below is a material representation of fact upon which reliance was placed when this contract was entered into. If it is later determined that the potential contractor knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the Department of Health and Human Services, United States Department of Agriculture or other federal department or agency, or the HHSC may pursue available remedies, including suspension and/or debarment.

2. The potential contractor will provide immediate written notice to the person to which this certification is submitted if at any time the potential contractor learns that the certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

3. The words “covered contract”, “debarred”, “suspended”, “ineligible”, “participant”, “person”, “principal”, “proposal”, and “voluntarily excluded”, as used in this certification have meanings based upon materials in the Definitions and Coverage sections of federal rules implementing Executive Order 12549. Usage is as defined in the attachment.

4. The potential contractor agrees by submitting this certification that, should the proposed covered contract be entered into, it will not knowingly enter into any subcontract with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the Department of Health and Human Services, United States Department of Agriculture or other federal department or agency, and/or the HHSC, as applicable.

Do you have or do you anticipate having subcontractors under this proposed contract? ........................................... ............................

- Yes
- No

5. The potential contractor further agrees by submitting this certification that it will include this certification titled “Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion for Covered Contracts” without modification, in all covered subcontracts and in solicitations for all covered subcontracts.

6. A contractor may rely upon a certification of a potential subcontractor that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered contract, unless it knows that the certification is erroneous. A contractor must, at a minimum, obtain certifications from its covered subcontractors upon each subcontract’s initiation and upon each renewal.

7. Nothing contained in all the foregoing will be construed to require establishment of a system of records in order to render in good faith the certification required by this certification document. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

8. Except for contracts authorized under paragraph 4 of these terms, if a contractor in a covered contract knowingly enters into a covered subcontract with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, Department of Health and Human Services, United States Department of Agriculture, or other federal department or agency, as applicable, and/or the HHSC may pursue available remedies, including suspension and/or debarment.

CERTIFICATION REGARDING FEDERAL LOBBYING
(Certification for Contracts, Grants, Loans, and Cooperative Agreements)

PREAMBLE

Federal legislation, Section 319 of Public Law 101-121 generally prohibits entities from using federally appropriated funds to lobby the executive or legislative branches of the federal government. Section 319 specifically requires disclosure of certain lobbying activities. A federal government-wide rule, “New Restrictions on Lobbying”, published in the Federal Register, February 26, 1990, requires certification and disclosure in specific instances and defines terms:

Covered Awards and Subawards--Contracts, grants, and cooperative agreements over the $100,000 threshold need (1) certifications, and (2) disclosures, if required. (See certification term number 2 concerning disclosure.)

Lobbying--To lobby means “to influence or attempt to influence an officer or employee of any agency (federal), a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with any of the following covered federal actions:

• the awarding of any federal contract,
• the making of any federal grant,
• the making of any federal loan,
• the entering into of any cooperative agreement, and
• the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan or cooperative agreement”.

Limited Use of Appropriated Funds Not Prohibited--The prohibition on using appropriated funds does not apply to activities by one’s own employees with respect to:

• liaison activities with federal agencies and Congress not directly related to a covered federal action;
• providing any information specifically requested by a federal agency or Congress;
• discussion and/or demonstration or products or services if not related to a specific solicitation or a covered action; or
• professional and technical services in preparing, submitting or negotiating any bid, proposal or application for a federal contract, grant loan or cooperative agreement or for meeting legal requirements conditional to receipt of any federal contract, grant, loan or cooperative agreement. (The prohibition also does not apply to such services provided by nonemployees for the same purposes.)

Professional and Technical Services--Professional and technical services shall be advice and analysis directly applying any professional or technical expertise. Note that the professional and technical services exemption is specifically limited to the merits of the matter.

Other Allowable Activities--The prohibition on use of federally appropriated funds does not apply to influencing activities not in connection with a specific covered federal action. These activities include those related to legislation and regulations for a program versus a specific covered federal action.

Funds Other Than Federal Appropriations--There is no federal restriction on the use of nonfederal funds to lobby the federal government for contracts, grants, and cooperative agreements.

Applicability of Other State and Federal Requirements--Neither the government-wide rule nor the law affect either (1) the applicability of cost principles in OMB circulars A-87 and A-122, or (2) riders to the Texas State Appropriations Acts which disallow use of state funds for lobbying.
