C. If, as a result of such audit, TCCO determines that Contractor has overcharged the State, TCCO will notify Contractor of the amount of such overcharge and Contractor will promptly pay to TCCO the amount of the overcharge, plus interest. Interest on such overpayment amount will be calculated from the date of receipt by the Contractor of the overcharged amount until the date of payment to TCCO, and will be calculated at the Department of Treasury’s Median Rate (resulting from the Treasury’s auction of 13-week bills) for the week in which liability is assessed, but no in no event to exceed the highest lawful rate of interest. In the event any such audit reveals an overcharge to TCCO, Contractor will reimburse TCCO for the cost of such audit.

B. TCCO agrees to notify Contractor in writing within a reasonable time from receipt of a request for information related to Contractor’s work under this Contract.

C. Contractor shall cooperate with TCCO in the production of documents responsive to the request. TCCO will make a determination whether to submit a Public Information Act Opinion request to the Attorney General. Contractor shall notify TCCO General Counsel within twenty-four (24) hours of receipt of any third party requests for information that were provided by the State of Texas for use in performing this Contract.

D. The Agreement and all data and other information generated or otherwise obtained in its performance may be subject to the Texas Public Information Act.

SECTION 10.04 PRIVILEGED WORK PRODUCT
A. Contractor acknowledges that TCCO asserts that Privileged Work Product may be prepared in anticipation of litigation and that Contractor is performing the Services with respect to Privileged Work Product as an agent of TCCO, and that all matter related thereto is protected from disclosure by the Texas Rules of Civil Procedure, Texas Rules of Evidence, Federal Rules of Civil Procedure, or Federal Rules of Evidence.

B. TCCO will notify Contractor of any Privileged Work Product to which Contractor has or may have access. After the Contractor is notified or otherwise becomes aware that such documents, data, database, or communications are Privileged Work Product, only Contractor personnel for whom such access is necessary for the purposes of providing the Services may have access to Privileged Work Product.

C. If Contractor receives notice of any judicial or other proceeding seeking to obtain access to TCCO’s Privileged Work Product, Contractor will: (1) Immediately notify TCCO; and (2) Use all reasonable efforts to resist providing such access.

D. If Contractor resists disclosure of TCCO’s Privileged Work Product in accordance with this Section, TCCO will, to the extent authorized under Civil Practices and Remedies Code or other applicable State law, have the right and duty (i) to represent Contractor in such resistance; (ii) to retain counsel to so represent Contractor; or (iii) to reimburse Contractor for reasonable attorneys' fees and expenses incurred in resisting such access. TCCO will make the sole determination as to which of the preceding duties it will undertake.

E. If a court of competent jurisdiction orders Contractor to produce documents, disclose data, or otherwise breach Contractor's confidentiality obligations or maintenance obligations regarding the confidentiality, proprietary nature, and secrecy of Privileged Work Product, Contractor will not be liable for breach of such obligation.

SECTION 10.05 UNAUTHORIZED ACTS

investigating or preventing the reoccurrence of any unauthorized possession, use, or knowledge, or attempt thereof, of Confidential Information;

C. Cooperate with the other Party in any litigation and investigation against third Parties deemed necessary by such Party to protect its proprietary rights; and

D. Promptly prevent a reoccurrence of any such unauthorized possession, use, or knowledge of Confidential Information.

SECTION 10.06 LEGAL ACTION
A party may not commence any legal action or proceeding with a third party with respect to any unauthorized possession, use, or knowledge, or attempt thereof, of the other Party’s Confidential Information by any such person or entity, if that action or proceeding identifies the other Party or its Confidential Information without such Party’s consent.

ARTICLE XI: REMEDIES AND DISPUTES

SECTION 11.01 UNDERSTANDING AND EXPECTATIONS
The remedies described in this Article are directed to Contractor’s timely and responsive performance of the Services and Deliverables, and to the creation of a flexible and responsive relationship between the Parties.

SECTION 11.02 TAILORED REMEDIES
A. Understanding of the Parties
Contractor agrees and understands that TCCO may pursue tailored contractual remedies for noncompliance with the Contract. At any time and at its discretion, TCCO may impose or pursue one or more remedies for each action of noncompliance and will determine remedies on a case-by-case basis. TCCO’s pursuit or non-pursuit of a tailored remedy does not constitute a waiver of any other remedy that TCCO may have at law or equity.

B. Notice and Opportunity to Cure for Non-Material Breach
1. TCCO will notify Contractor in writing of specific areas of Contractor performance that fail to meet performance expectations, standards, or schedules but that, in the determination of TCCO, do not result in a material deficiency or delay in the implementation or operation of the Services.
2. Contractor will, within three (3) business days (or another date approved by TCCO) of receipt of written notice of a non-material deficiency, provide TCCO a written response that:
   a. Explains the reasons for the deficiency, Contractor’s plans to address or cure the deficiency, and the date and time by which the deficiency will be cured; or
   b. If Contractor disagrees with TCCO’s findings, explains its reasons for disagreeing with TCCO’s findings.
3. Contractor’s proposed cure of a non-material deficiency is subject to the approval of TCCO. Contractor’s repeated commission of non-material deficiencies or repeated failure to resolve any such deficiencies may be regarded by TCCO as a material deficiency and entitle TCCO to pursue any other remedy provided in the Contract or any other appropriate remedy TCCO may have at law or equity.

C. Corrective Action Plan
   1. At its option, TCCO may require Contractor to submit to TCCO a detailed written plan (the “corrective action plan”) to correct or resolve a material deficiency or breach of the Contract.
   2. The Corrective Action Plan must provide:
      a. A detailed explanation of the reasons for the cited deficiency;
      b. Contractor’s assessment or diagnosis of the cause;
      c. A specific proposal to cure or resolve the deficiency; and
      d. Contractor’s timeline for cure or resolution of the deficiency.
   3. The Corrective Action Plan must be submitted by the deadline set forth in TCCO’s request for a Corrective Action Plan. The Corrective Action Plan is subject to approval by TCCO, which will not be withheld unnecessarily.
   4. TCCO will notify Contractor in writing of TCCO’s final disposition of TCCO’s concerns regarding the Corrective Action Plan. If TCCO accepts Contractor’s proposed Corrective Action Plan, TCCO may:
      a. Condition such approval on completion of tasks in the order of priority that TCCO may prescribe;
      b. Disapprove portions of Contractor’s proposed Corrective Action Plan; or
      c. Require additional or different corrective action(s).
   5. At any time during this remedial process, TCCO reserves the right to:
      a. Suspend all, or part of, the Contract, and to withhold further payment for the suspended portions of the Contract; or
      b. Prohibit Contractor from incurring additional obligations of funds during investigation of the pending corrective action, if necessary by Contractor or a decision by TCCO to terminate the Contract for cause.
   6. If TCCO rejects Contractor’s written explanation or proposed Corrective Action Plan, TCCO may issue a Stop Work Order to Contractor or any of its subcontractors or suppliers. TCCO may delay the implementation of the Stop Work Order if it affects the completion of any of the Services in accordance with the approved scheduled or work plan.
   7. TCCO’s acceptance of a Corrective Action Plan under this Section will not:
      a. Excuse Contractor’s prior substandard performance;
      b. Relieve Contractor of its duty to comply with performance standards; or
      c. Prohibit TCCO from assessing additional tailored remedies or pursuing other appropriate remedies for continued substandard performance.

D. Administrative Remedies
1. At its discretion, TCCO may impose one or more of the following remedies for each item of noncompliance and will determine the scope and severity of the remedy on a case-by-case basis:
   a. Assess liquidated damages in accordance with the terms of the Contract if provided in the Contract;
   b. Conduct accelerated monitoring of the Contractor. Accelerated monitoring includes more frequent or more extensive monitoring by TCCO or its agent;
   c. Require additional, more detailed, financial or programmatic reports to be submitted by Contractor;
   d. Decline to renew or extend the Contract;
   e. Withhold or recoup payment for the noncompliant Service or Deliverable; or
   f. Terminate the Contract in accordance with Section 11.03.

2. For purposes of the Contract, an item of noncompliance means a specific action of Contractor that:
   a. Violations a provision of the Contract;
   b. Fails to meet an agreed measure of performance; or
   c. Represents a failure of Contractor to be reasonably responsive to a reasonable request of TCCO relating to the Services and Deliverables for information, assistance, or support within the timeframe specified by TCCO.

3. TCCO will provide notice to Contractor of the imposition of an administrative remedy in accordance with this Section, with the exception of accelerated monitoring, which may be unannounced. TCCO may require Contractor to file a written response as part of the Tailored Remedy approach.

4. The Parties agree that a State or Federal statute, rule, regulation, or Federal guideline will prevail over the provisions of this Section unless the statute, rule, regulation, or guidelines can be read together with this Section to give effect to both.

E. Damages

1. TCCO will be entitled to actual and consequential damages resulting from the Contractor’s failure to comply with any of the terms of the Contract.

2. In some cases, the actual damage to TCCO or the State of Texas as a result of Contractor’s failure to meet any aspect of the responsibilities of the Contract or to meet specific performance standards set forth in the Contract are difficult or impossible to determine with precise accuracy. Therefore, liquidated damages may be assessed in writing against and paid by the Contractor for failure to meet any aspect of the responsibilities of the Contract or to meet the specific performance standards identified by TCCO. Liquidated damages may be assessed if HHSC determines such failure is the fault of the Contractor (including the Contractor’s subcontractors or consultants) and is not materially caused or contributed to by TCCO or its agents. If at any time, TCCO determines the Contractor has not met any aspect of the responsibilities of the Agreement or the specific performance standards due to mitigating circumstances, TCCO reserves the right to waive all or part of the liquidated damages. All such waivers must be in writing, contain the reasons for the waiver, and be signed by the appropriate executive of TCCO. The liquidated damages prescribed in this Section are not intended to be in the nature of a penalty, but are intended to be reasonable estimates of TCCO’s projected financial loss and damage resulting from the Contractor’s nonperformance,
including financial loss as a result of project delays. Accordingly, in the event Contractor fails to perform in accordance with the Agreement, TCCO may assess liquidated damages as provided in this Section.

3. If Contractor fails to perform any of the Services described in the Contract, TCCO may assess liquidated damages for each occurrence of a liquidated damages event, to the extent consistent with TCCO’s tailored approach to remedies and Texas Law.

4. TCCO may elect to collect liquidated damages:
   a. Through direct assessment and demand for payment delivered to Contractor; or
   b. By deduction of amounts assessed as liquidated damages as set-off against payments then due to Contractor for the Services or Deliverables or that become due at any time after assessment of liquidated damages. TCCO will make deductions until the full amount payable by Contractor is received by the State.

F. Equitable Remedies
1. Contractor acknowledges that, if Contractor breaches (or attempts or threatens to breach) its obligation under the Contract, the State will be irreparably harmed. In such a circumstance, TCCO may proceed directly to court.

2. If a court of competent jurisdiction finds that Contractor breached (or attempted or threatened to breach) any such obligations, Contractor agrees that without any additional findings of irreparable injury or other conditions to injunctive relief, it will not oppose the entry of an appropriate order compelling performance by Contractor and restraining it from any further breaches (or attempted or threatened breaches).

G. Suspension of Contract
1. TCCO may suspend performance of all or any part of the Contract if:
   a. TCCO determines that Contractor has committed a material breach of the Contract;
   b. TCCO has reason to believe that Contractor has committed, assisted in the commission of, or failed to take appropriate action concerning fraud, abuse, malfeasance, misfeasance, or nonfeasance by any party concerning the Contract; or
   c. TCCO determines that suspension of the Contract in whole or in part is convenient or in the best interests of the State of Texas or the TCCO Programs.

2. TCCO will notify Contractor in writing of its intention to suspend the Contract in whole or in part. Such notice will:
   a. Be delivered in writing to Contractor;
   b. Include a concise description of the facts or matter leading to TCCO’s decision; and
   c. Unless TCCO is suspending the contract for convenience, request a Corrective Action Plan from Contractor or describe actions that Contractor must take to avoid the contemplated suspension of the Contract.

SECTION 11.03 TERMINATION OF CONTRACT
In addition to other provisions of this article allowing termination, the Contract will terminate upon the expiration date unless extended in accordance with the terms of the Contract, or terminated sooner under the terms of the Contract. Prior to completion of the Initial Term and any extensions or renewal thereof, all or a part of the Contract may be terminated for any of the following reasons:
A. Termination by Mutual Agreement of the Parties.
   The Contract may be terminated by mutual agreement of the Parties. Such agreement must be in writing.

B. Termination for Convenience.
   TCCO may, in its sole discretion, terminate this Contract with or without cause, by providing the Contractor with sixty (60) Days prior written notice of such termination.

C. Termination in the Best Interest of the State.
   TCCO may terminate the Contract at any time when, in its sole discretion, TCCO determines that termination is in the best interests of the State of Texas. The termination will be effective on the date specified in TCCO’s notice of termination.

D. Termination for Cause.
   Except as otherwise provided by the U.S. Bankruptcy Code, or any successor law, TCCO may terminate the Contract, in whole or in part, upon the following conditions:
   1. Assignment for the benefit of all or substantially all of its creditors, appointment of receiver, or inability to pay debts. TCCO may terminate the Contract if Contractor:
      a. Makes an assignment for the benefit of its creditors;
      b. Admits in writing its inability to pay its debts generally as they become due; or
      c. Consents to the appointment of a receiver, trustee, or liquidator of Contractor or of all or any part of its property.
   2. Failure to adhere to laws, rules, ordinances, or orders. TCCO may terminate the Contract if a court of competent jurisdiction finds Contractor failed to adhere to any laws, ordinances, rules, regulations or orders of any public authority having jurisdiction and such violation prevents or substantially impairs performance of Contractor’s duties under the Contract.
   3. Breach of confidentiality. TCCO may terminate the Contract if Contractor breaches confidentiality obligations with respect to the Services and Deliverables provided under the Contract.
   4. Failure to maintain adequate personnel or resources. TCCO may terminate the Contract if, after providing notice and an opportunity to correct, TCCO determines that Contractor has failed to supply personnel or resources and such failure results in Contractor’s inability to fulfill its duties under the Contract.
   5. Termination for gifts and gratuities.
      a. TCCO may terminate the Contract following the determination by a competent judicial or quasi-judicial authority and Contractor’s exhaustion of all legal remedies that Contractor, its employees, agents or representatives have either offered or given anything of value to an officer or employee of TCCO or the State of Texas in violation of state law.
      b. Contractor must include a similar provision in each of its subcontracts and will enforce this provision against a subcontractor who has offered or given anything of value to any of the persons or entities described in this Section, whether or not the offer or gift was in Contractor’s behalf.
c. Termination of a subcontract by Contractor under this provision will not be a cause for termination of the Contract unless Contractor fails to replace such terminated subcontractor within a reasonable time.

d. For purposes of this Section, a “thing of value” means any item of tangible or intangible property that has a monetary value of more than $50.00 and includes, but is not limited to, cash, food, lodging, entertainment, and charitable contributions. The term does not include contributions to holders of public office or candidates for public office that are paid and reported in accordance with State or Federal law.

e. Contractor certifies that it has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, present or future employment, gift, loan, gratuity, special discount, trip, favor, or service to a HHSC or TCCO official or employee in connection with this Contract.

6. Termination for non-appropriation of funds. Notwithstanding any other provision of the Contract, if funds for the continued fulfillment of the Contract by TCCO are at any time not forthcoming or are insufficient, through failure of any entity to appropriate funds or otherwise, then TCCO will have the right to terminate the Contract at no additional cost and with no penalty whatsoever. TCCO will make best efforts to provide reasonable written advance notice to Contractor upon learning that funding for the Contract may be discontinued.

7. Termination for lack of financial viability. TCCO may terminate the Contract if, in its sole discretion, TCCO has a good faith belief that Contractor no longer maintains the financial viability required to complete the Services and Deliverables, or otherwise fully perform the Contract.

   a. TCCO may terminate the Contract if judgment for the payment of money in excess of $500,000.00 that is not covered by insurance, is rendered by any court or governmental body against Contractor, and Contractor does not:
      i. Discharge the judgment or provide for its discharge in accordance with the terms of the judgment;
      ii. Procure a stay of execution of the judgment within 30 days from the date of entry thereof; or
      iii. Perfect an appeal of such judgment and cause the execution of such judgment to be stayed during the appeal, providing such financial reserves as may be required under generally accepted accounting principles.
   b. If a writ or warrant of attachment or any similar process is issued by any court against all or any material portion of the property of Contractor, and such writ or warrant of attachment or any similar process is not released or bonded within 30 days after its entry, TCCO may terminate the Contract in accordance with this Section.
