Delayed Procurements

The procurement and grant processes of the HHS System are designed to protect the integrity of our competitive practices, confidentiality of sensitive information, and ensure that the HHS System agency is complying with state and federal rules, regulations, and laws throughout the entirety of the procurement or grant solicitation process.

Procurement and Contracting Services (PCS) staff will notify organizations when their proposal has been disqualified, is being considered for award, or is no longer being considered for award as soon as reasonably possible. If your organization has submitted a proposal to be considered under a posted Request for Proposals (RFP), Request for Qualifications (RFQ), Request for Offers (RFO) or Request for Applications (RFA) opportunity, please be advised that the assigned Contract or Grant Specialist may only be able to share limited information.

With that understanding, the following information is intended to alert interested parties of delays that may significantly impact the anticipated award date under circumstances when eligible respondents or applicants will not have knowledge of such delays.
