Information Letter No. IL 20-23

Subject: Home and Community Based Services (HCBS) Day Habilitation
Survey

The purpose of this information letter is to require TxHmL, DBMD, and HCS program providers to complete a brief survey regarding day habilitation services no later than June 15, 2020. You must complete a separate survey for each location at which you provide or contract to provide day habilitation to an individual in the TxHmL, DBMD, or HCS Program.

The survey is available here:

<https://www.surveygizmo.com/s3/5539891/HCBS-Day-Habilitation-Survey-2020-TX-HHSC>

HHSC is conducting this survey to determine the level at which day habilitation settings are currently in compliance with the federal regulation at 42 CFR §441.301(c)(4) regarding home and community-based settings.

If you have questions about the day habilitation survey, please contact the HCBS Rules section by email at Medicaid_HCBS_Rule@hhsc.state.tx.us.

Sincerely,
